ASIA REBORN SUBJECT FOR FORUM TALK

Oriental People Said
to Have Lost Faith
in West's Promises

"The oriental people have been disillusioned as to the honesty of the west. They have found out that promises can not be relied upon. A growing feeling against foreigners and a strong race consciousness are evident in the orient today." Thus did Marguerite Harrison, world traveler, author and lecturer sum up the situation in the Far East in her lecture, "Asia Reborn," given in the evening high school forum series last Monday evening.

An audience of three hundred greeted Miss Harrison. Her lecture proved to be a scholarly study of world affairs and was well received by her hearers. Her two or three mentions of personal experiences in French Morocco, Arabia, and Manchuria were flashes that were eagerly awaited by the audience. Without a doubt, many had attended the lecture hoping that Miss Harrison would give the account of her life that has recently appeared in book form under the title, "There's Always Tomorrow."

China will eventually reassert itself, Miss Harrison believes. At present, besides the Japanese trouble, China has her hands full with the silver standard problem and the Bolshevik tide.

The speaker was evidently afraid that Philippine independence would mean Japanese domination in a few years. She seemed quite certain that Japan would never give up her league mandate islands. Her picture of Japan's rise in less than a century from a self-contained closed-door agricultural country to a world power was vivid and clear-cut.

India's new constitution is a step toward dominion status. Soon India will want independence, but Miss Harrison believes independence for India will lead to chaos because of the recognized inability of the Indians to get together.

Conditions in Arabia, Persia, Siberia were touched upon by the speaker to prove her argument that the renaissance of Asia is an established fact.

Miss Harrison explained after her talk that she had been booked to give her lecture, "Asia Reborn," and that she had no idea that Covina people were expecting her lecture on her personal experiences.

In the absence of V. R. Ross, principal of the evening high school, the speaker was introduced by G. Z. McClelland, faculty member.

The daughter was brought from Texas to Los Angeles to answer to the charge and the girl is being held under \$1000 bail. She waived preliminary hearing and promises to plead guilty in the superior court.

Venison Dinner Served by Fire Department

Covina's community center, the American Legion hall recently purchased by the city, was the scene of the annual venison dinner given by the members of the Covina fire department last Thursday evening, the attendance being the largest ever present at these yearly events, over two hundred guests partaking of the deliciously-prepared venison steaks.

During the dinner music was furnished by string orchestra, Betty Reed, W. C. Edgett, Grant Chapman, Kyle Pollard, Jimmy Hodges and Ralph Krueger, the entertainment after dinner being furnished by a party of professionals from Los Angeles, making an evening of enjoyment as well as a gastronomic treat.

Henry Brandon acted as master of ceremonies and the address of welcome was made by Mayor George Maxfield, a short address also being made by Sheriff Eugene Biscailuz.

Out-of-town guests besides Sheriff and Mrs. Biscailuz were Capt. Roy Rankin, Capt. P. J. Higgins, and F. J. Crozier of Ontario, formerly Covina city marshal.

The newly-appointed board which will be in charge of the community center, Jack Vaughan, Verner Johnson, Roy Goodell, Mrs. Jack Dean and Mrs. Roy Winder, were introduced by Mayor Maxfield during the course of the evening.

Funeral Held for Van M. Thompson

Funeral services for Van M. Thompson, 46 years of age, of 1953 West 75th street, Los Angeles, were conducted Wednesday afternoon at 2 o'clock at the chapel of the Covina Funeral parlors on Covina boulevard, with Rev. A. O. Elliott of the Presbyterian church officiating. Death came Sunday morning at 11:30 o'clock at the Hawthorne hospital in Los Angeles, following the amputation of limb by gangrene.

On October 28, while bidding friends goodbye, the deceased slipped on the floor, falling to his knee and puncturing a blood vessel. A few days later he was removed to the hospital for an operation, from which he failed to recuperate.

The deceased is the son of the late Mr. and Mrs. Archibald Thompson of Glendora and leaves to mourn his loss four brothers, Ed of Azusa, Harry of Los Angeles, Burt of Spokane, and one sister, Mrs. Millie White of Los Angeles.

Rev. Brubaker Talks on Thanksgiving

Rev. Leland Brubaker of the Brethren church was the principal speaker at the Lions club regular meeting on Monday. His subject was "Thanksgiving," and he gave an interesting resume of the historical facts leading up to the day of thanks in this newly-settled country in 1621, and traced its progress till the time of Abraham Lincoln's regime as president, when it was declared a national holiday. Rev. Brubaker dealt with the spiritual meaning of this historic day and reminded his audience that Thanksgiving enhances hope and faith.

During the meeting Erle Saunders and Lee Johnson were initiated into the club by Thomas Reed, and Howard Varcoe was called upon to make a report of the Foothill Council dinner dance held at the Oakmont country club last Thursday evening.

Baldwin Park School Allotted WPA Funds

Baldwin Park grammar school has been allotted \$23,400 under the WPA, according to word received in Los Angeles Tuesday. It is understood that the funds will be used for the construction of a new auditorium and other improvements to the building. COLTS DEFEAT ARCH RIVALS IN GRID GAME

Ineligible Reception of
Pass Paves Way to
Touchdown

Annexing their third successive victory and climaxing a desperate last-of-the-season rally, Coach Butter Gorrell's Colt varsity rang up six points to defeat Covina's long-standing rival, Pomona, in a game played Wednesday afternoon on the losers' field.

To Ted Neely, fullback for the cardinal and white, goes the credit for the one score of the game. In two hard center bucks Neely carried the pigskin first to the one-foot line, and on the next thrust, over for the touchdown. This single tally occurred in the primary period of play. Quarterback Eddie Nichols' splendid punting and Captain Conlon's fine defensive work were features that distinguished the Covina backfield, while Grisaffi, Polhemus, Gant and Athan stood out on the Colt line.

Near the end of the initial period, Eddie Nichols got away a beautiful long 78-yard punt that soared into the Pomona end zone. Centering the ball from the Red Devils' 20-yard line, Biller sent the pigskin 'way over the head of Gray, Pomona quarterback, who dashed back behind his own goal-line, scooped the ball up and heaved it up the field. But an ineligible Pomona man caught the pigskin and, consequently, the Colts gained possession of the ball on the Red Devils' 20-yard band. Nichols promptly faded back and tossed a forward down to Bob Col, who dashed down the field to the yard stripe. Then Nichols and Neely pushed over center in two plays to the one-foot line, from which place Neely bucked the ball over for the one and only score. Nichols' attempted placekick for the extra digit was not successful.

Twice during the second period the Red Devils made determined drives toward the Covina goal-line. Bud Gray, cardinal quarterback, carried the pigskin almost single-handed 29 yards to the Colts' 21-yard stripe. No sooner did Nichols kick out to safety than the Red Devils were again pounding away at the cardinal and white line and crashing down once more to the Covina 27-yard mark.

During the second half Coach Arch Nisbet let loose a big, rangy 175-pound fullback who simply ran wild for the Red Devils' Hard-driving Johnny Casey cracked thru the Covina line for 6, 8, and 10 yards every time he took the ball. In this manner the Pomona Cards rolled up one first down after another, totaling 47 yards in one long drive. Later in the contest the Colts backed Pomona down to the Red Devils' 6-yard mark. But again this time Casey faded back the day when he took the pigskin on a sweeping end run up to the Pomona 41. Another stellar performer for Pomona's cardinal varsity was Sophomore Louie Duran at the halfback position. Duran has plenty of time to develop into an ace backfield man.

Pomona outpointed the Colts nine and one-half pounds per man.

Scion of Old Puente Family Passes On

Bernardo F. Rowland, 71 years of age, scion of one of the oldest families in Los Angeles county, whose settlement in the San Gabriel valley dates back nearly 100 years, died Sunday morning at the Covina hospital after a ten-days' illness which terminated in pneumonia.

Mr. Rowland's ranch home south of Puente was within a half mile of where he was born, the son of Thomas and Zenovia Rowland.

On December 14, 1891, he was united in marriage with Miss Carolina Sanchez de Rowland, who is left. A niece, Miss Zenovia Rowland, is a member of the immediate household.

Mr. Rowland also leaves one sister, Mrs. R. V. Vejar of Rosemead, and seven brothers, A. V. Thomas, David and Ernest, all of Los Angeles; F. de la Puente; A. F. de la Verne; and John of Mexico City.

Thorpe Speaks Before Church Audience

Ben F. Thorpe addressed the congregation Sunday evening at the Methodist church, his subject being "Religions As Seen by a Traveler in Foreign Countries." His talk was filled with humorous experiences of his trips to the orient and the south seas and of the religious rites of the peoples of many foreign lands.

Damerel Attends Gathering of Farm Bureau Federation

Henry Damerel has just returned from Santa Cruz, where he attended the annual meeting of the California Farm Bureau Federation.

In commenting on the four-day session, Mr. Damerel said there were over 1000 registrations, every county in California being well represented. The leaders there assembled agreed that never was there a more opportune time than now for organized agriculture to achieve permanent economic victory for American agriculture. The greater the manpower of the state and national federation, the stronger its support by all farmers, the greater will be the achievements for agriculture.

Farmers are increasingly confronted with economical problems. The real and lasting solution to many of these problems can only be had thru group action. The stronger the organization of farmers, the more pronounced are the possible results of group action.

We are living in an organized age. All around us we see the evidence of organization and the power it yields. If other economic groups, representing labor, industry, banking, manufacturing, commerce, transportation and distribution, see the wisdom of organizing themselves so they can present a united front in pressing economic claims, how can agriculture afford to remain comparatively unorganized?

There seemed to be one outstanding objective in the minds of those present—to drive on and on until permanent prosperity is gained for American agriculture.

The increasing strength of the farm bureau movement in California is quite evident, for in some counties 75 per cent of all farmers are members of the farm bureau.

There was a membership breakfast held at which all counties of the state were represented, and reports showed that in some counties a gain in membership of as much as 71 per cent was made over last year.

It would seem that California, with its long distance from markets, would need a unified agricultural organization for its 153,000 farmers, who produce more than one hundred million tons of crops, aggregating 470,000 carloads, with a normal value of \$800,000,000.

One of the outstanding speakers said: "Why should the families of automobile manufacturers, or the

Bride Found Dead in Smouldering Ruins of Cabin

The charred body of an 18-year-old bride was dug out of the smouldering ruins of a burned mountain cabin in San Gabriel canyon, near Morris dam, by forestry service men Wednesday morning.

Sheriff's deputies rushed to the spot when foresters reported that "suspicious circumstances" surrounded the fire which burned to death Mrs. Myrtle Smith.

Frank L. Smith, a truck driver and husband of the dead woman, was apparently the last person to see her alive, and also discovered the fire.

He told sheriff's deputies that he had left for work about 7:30 a. m. and that his wife was smoking a cigarette at the time. He said that about half an hour later, when he was some distance down the canyon, he saw smoke and called forestry men.

Deputy Sheriff L. L. Pyle of San Dimas sub-station said that a full investigation would be made, but that preliminary investigation showed no untoward circumstances and that Mrs. Smith probably fell asleep while smoking a cigarette.

Smith said he married the girl, formerly Myrtle Inez Turner, in Parker, Arizona, last April 30. They came to their cabin home in San Dimas canyon about two months ago.

Grammar Grades in Holiday Program

The lower grades of the grammar school were given a Thanksgiving program in assembly by the 5B and 3B grades, under the direction of Miss Groves and Miss Hixson. The plays, songs and other numbers all were representative of the approaching holiday.

At this time a presentation was made of the Declaration of Independence, which was produced in the east by C. E. Myers of North Citrus avenue and presented to the school. Principal Ralph Chambers will hang the framed document in the lobby.

Y.M.C.A. Delegates to Attend Conference

Among those on the conference committee for this year are Dr. George Ball, principal of Bonita union high school, and Vernon G. Stanfield, valley "Y" secretary.

WILL ROGERS NAME GIVEN TO HIGHWAY

Holt-Garvey Links to
Be Under General
Designation

Contingent upon the action of the Los Angeles city council which was expected to follow, the county board of supervisors Tuesday approved the designation of the "short-cut" state highway between Los Angeles and the San Bernardino county line as "Will Rogers highway."

Greater part of the state highway now is known by the designation of Holt-Garvey road, although it never has had a permanent name for its entire length. Entering Los Angeles from the east, it is known as Ramona boulevard, Harrison street, Cotton street, and finally as Aliso street.

Route of the highway which it is planned to name in memory of the noted humorist also lies within the route of two federal highways, U. S. routes No. 60 and 70, according to William J. Fox, director of the regional planning commission.

The move to designate the state and federal artery as Will Rogers highway was started only recently. In 1933 the street naming committee of the county started a move to have it called "Ocean-to-Ocean highway," but some of the communities along the way objected. Result was that a permanent name never was adopted by either the state, county, or city.

Completion of improvements a year ago marked the expenditure of several millions of dollars of gasoline funds by the state. Between Montebello and the Los Angeles river there are thirteen grade separations or subways, making the highway one that might be regarded as a model for the entire county in that respect, as there are no crossings at grade.

The Los Angeles city council tabled action on the proposal last week, pending word from the widow of the humorist. It was indicated it would be brought up again some time this week, and a move then will be started to extend the highway west from the civic center thru Beverly Hills and to the ocean past the Rogers estate.

Pastor's Brother Reported Freed by Bandits

News of the release of Arnolis Hayman, brother of Rev. V. C. Hayman, pastor of the Baptist church of Covina, was received over the radio last week and was confirmed by news dispatches received here today. Arnolis Hayman had been held captive by Chinese bandits for over a year, during which time he had been reported killed several times. According to the latest reports, he is now seriously ill from the effects of the tortures he suffered at the hands of the bandits and is being cared for at the home of a German missionary, who was responsible for his release. A Swiss missionary who was held with him has not been released, it was stated in news reports from Changchun, where Hayman is now recovering from his terrible experiences.

Thirty-eight years ago the family were residents of Covina, the father of the deceased operating a notion store on the site now occupied by the Buller block, immediately north of the San Gabriel Valley Milling company.

High School Principal in Auto Accident

V. R. Ross, vice-principal of the high school, and his two passengers, Alan Troxel and Bill Day, escaped with only scratches and bruises when the car driven by Mr. Ross skidded on the wet pavement Friday afternoon and struck the curb, turning over on its side. Mr. Ross was going to the football game in Glendale, taking with him the two cheer leaders, when he found it necessary to apply the brakes to allow two cars to pass at an intersection on the Arrow highway.

The car was damaged to some degree, but the three passengers were not seriously injured.

Burglar Forces Ranch Owner to Carry Loot

Kidnaped at gunpoint as he worked in his garden, Charles Laramie, Covina rancher, last Friday was forced, under threat of the weapon, to carry two heavy suitcases on a long trek thru the hill country.

The suitcases, it was later learned, were crammed with approximately \$300 in loot from the ranch home of Ralph Graves, Puente druggist.

Bending over the garden on his Christwell ranch, Laramie was startled, he told deputy sheriffs, by a command: "Hands up!"

Looking into the muzzle of a weapon, he saw a red-haired youth standing beside two suitcases.

"Pick those up and start walking," the gunman directed. Laramie obeyed.

For about a mile the strange caravan proceeded in silence, then the bandit called a halt. Handing the rancher a baby's bank, he commanded Laramie to break it open.

This done, the captor re-directed the march toward the highway, where on arrival he commanded Laramie to throw passing cars. Unsuccessful in getting a ride, the pair trokked down the Glendora highway to Omar, where a second attempt to flag cars also failed.

At this moment Anthony Calambri, a friend of Laramie, chanced to drive by and invited them to hop in. The bandit indicated his captive was to occupy the front seat while he sat in the back with readied weapon.

In this fashion—Calambri unaware of the circumstances—they proceeded to a point near Puente, where the gunman halted the car and departed with the two suitcases.

Auto Accident Victim Owned Ranch Here

Funeral services were held Tuesday morning at 10 o'clock at the Montebello Methodist church for John H. Dutcher, 61, of Montebello, who was killed Saturday as he stepped from his stalled truck into the path of a car driven by Grant A. Graff of Santa Clara, Utah, ten miles east of Barstow. Mr. Dutcher was hauling mining machinery to a location outside of Barstow. He is a property owner of Covina valley, owning a ranch at Bonita and Vincent avenues at the time of his death. He was a pioneer of Montebello, who he was the first mayor, and has been active in the growth of that community.

He is mourned by his wife, two sons, Arthur and Carl, and a daughter, Melba. One son, Arthur, and his family made their home for some time recently on the father's ranch and still have many friends in Covina.

Viney returned on Sunday evening from the north, where they spent the latter part of the week and attended the Stanford-California football contest at the Palo Alto stadium. During their stay in the north Mr. and Mrs. Reynolds were guests in the home of Mr. and Mrs. Ward Forrick of Berkeley, and Mr. and Mrs. Viney spent the time at the home of Mr. and Mrs. Arthur Connick.

On Sunday Mr. and Mrs. Reynolds and Mr. and Mrs. Viney were honored guests at a reception in the home of Mr. and Mrs. Ray Piper in Piedmont and on Friday evening they were entertained at a dinner party in the home of Mr. and Mrs. A. Fernandez in Piedmont.

Graduating Seniors Play All-School

Next Tuesday afternoon at 3:00 on the local pasture the graduating seniors of Covina high will meet the 1934 all-school team. This will be the last game for some sixteen seniors, approximately ten of whom are varsity lettermen. Coach Gorrell will give a preview of his 1936 varsity lettermen in this game.

The general admission price is 15 cents at the gate. The proceeds of this benefit game will go for the mothers' annual football banquet which is given members of the team each year by their mothers.

MERCHANTS TO HOLD PREVIEW NEXT FRIDAY

Santa Claus to Give
Candy to Children
as Parents Look

The second annual Christmas preview and open house to be held by the merchants of Covina will take place Friday evening, December 6, with Santa Claus coming with a load of candy for the children and all of the stores to be open for inspection of holiday stocks, with none of the visitors to be asked to buy—the idea of the preview being to let prospective shoppers see what the stores have in stock.

The party will begin at seven o'clock, when Santa Claus will appear on the scene with his load of candy for the youngsters. Prizes are to be given by many of the stores, which will keep the children occupied while their parents are visiting the stores. In order to avoid the confusion of last year in distributing the candy, the fire department will have charge of this part of the program, the boys and girls to pass Santa Claus in single file so that the smaller children will not be endangered by crowding and will be sure to receive their share.

The committee in charge of the affair will be W. O. Peterson, Harold Potter, Mrs. Hilda Irving, Woodrow Core, T. P. Logan, Sam Stead, Clyde Custer, J. A. Sommercamp, and Barney Warr. W. E. Warr is chairman of the committee.

Ward Drug Store to Move to New Location

Announcement that he will move his drug store to the corner of Citrus avenue and West College street, to the building formerly occupied by the Atlantic and Pacific market, was made this week by J. L. Ward. Commenting on the move, Tuesday, Mr. Ward told an Argus reporter, "The change of location is being made because of lack of room where we now are. During the three years we have been in Covina our business has grown to such an extent that we find it impossible to carry the stock that is required by our trade. In our new building we will have room to add to our line and will be able to display our stock to better convenience both to our customers and to ourselves."

A modern front is to be built at the new store and a number of other changes will be made. Work on these alterations will begin shortly after January first, and Mr. Ward expects to be in his new store about February 1.

Whittier Moose Units Visit Local Lodge

Members of the Whittier Moose lodge filled the chairs of the local lodge Monday evening, while their wives were entertained by the Women's of the Moose at the game of "bunko." Prizes for the game were won by Mrs. Hattie Rice and Mrs. Fay Peden. After the dismissal of lodge the two groups joined for refreshments served by Mrs. John Crumer and Mrs. William Sch. Jr.

Acting as master of ceremonies, Gene Chewing introduced Mrs. A. N. Barefoot, who entertained with a comedy number. Mr. and Mrs. Basile and Harold Eachus produced a light skit and Miss Smith of Whittier gave several tap numbers. Dancing to the music of the orchestra of Mr. Smith of Whittier completed the evening.

Electrical Inspector Attends Convention

A. G. Gilbert, electrical inspector for the city of Covina, attended the convention of the International Association of Electrical Inspectors at Los Angeles last week, the meetings being held in the Los Angeles city hall. One of the features of the convention was a banquet at the Biltmore, where the delegates were the guests of the Edison company.

Discussions at the convention meetings covered many new proposals for better electrical inspection and instructive addresses on methods of electrical installation and the proper handling of electrical appliances.

Alba, our impatient linotype operator, had visions of having to work all day Thursday, instead of just until noon, and he could see in his mind the family eating all the turkey. He wanted to hurry up and hand the copy for WarrBlings on the hook so that he could get it into type. Finally he lost his temper, or as nearly as he ever loses it, and cut loose on us. "Say you," he began, "where's the copy for your column?" We tried to explain that we had been so busy that we couldn't seem to get in the right mood for the muse to inspire us. "Heck," replied Alba, "I've got a couple to start you off, if that's all you need." So there they are.

P. S.—We thought he had written them himself, but we find that he copied them from a column called "Kelegrams."

Hovey Cook started off with a ball team he called the Millionaire Kids, then he went to boat racing and brought out Millionaire Kids I, II, and III. Not satisfied with that he organized a girls' team he called the Millionaire Kids. And now he is soon to spring a surprise with another Millionaire Kid.

The venison dinner given by the Covina firemen. It was held in the community center, formerly the American Legion hall.

It was fitting that the first event following the purchase of the building should be given by the firemen. Perhaps we are partial to the firemen. We like them. We think they are just about the finest bunch of men we have met since we have been in California. Johnny-on-the-spot when there is a fire, but more important, they are also Johnny-on-the-spot when there is any important task of a community nature, and whenever they start a job they finish it with flying colors, with credit to themselves and to the community.

Falling in with the plan to make the city's new community center a place where all the people may meet, the dinner Thursday evening fairly breathed the spirit of Americanism that prompted the loss of the American Legion to erect the building as a meeting place for those who had offered their lives in the protection of their country. It was a tribute to the Legion and the firemen when the first meeting under the new ownership was given over to the fire department.

And we believe that the suggestion made by Mayor Macfield in his address, that the building should be called Memorial hall, should be officially adopted.

Los Angeles streets are piled up with trash and filth, even more than usual. Just another case of dirty politics, only the dirt is on the streets instead of on the politicians where it belongs.

George Simeonoff has quit smoking. He took a nap in his shop the other day and turned a hole in his shirt. It scared him. He snuffed the cloth burning and thought he was dead.

THEY STILL LIKE US

The following letter speaks for itself:

Milwaukee, Wis.,
November 17, 1935.

Editor Argus: Ever since I received the copy of the Argus dated October 15, in which you told of a conversation with us while we were visiting in California, I have intended to write and thank you for the paper and tell you that we still think your little city of Covina is one of the pleasantest places we visited on our western vacation trip.

We were especially impressed with your friendly people. You will remember, perhaps, that we were resting at your city park when you interviewed us, and you were only one of many who spoke to us that day. We will always remember our visit to Covina with pleasure.

Very truly yours,
B. J. LESLIE.

**THANK YOU,
AMERICA,**

for more than a Million cars

This year Chevrolet has two very good reasons for saying, "Thank you, America."

One reason is that people have bought so many Chevrolet cars that production for the year will reach 1,040,000.

And the other reason is that they have placed a record number of orders for new

1936 Chevrolets during the first few weeks they have been on display.

Chevrolet is indeed happy to say, "Thank you, America," and to pledge continued adherence to the manufacturing and service policies which have won and held this friendship.

Earl Marron and Frances Kranz Married

The Lutheran church, transformed with its altar banked with greenery and white chrysanthemums and lighted only by gleaming white tapers, was the setting Wednesday evening for the marriage of Earl Marron and Miss Frances Kranz.

The bride approached the altar on the arm of her brother, Charles Kranz, where the marriage vows were read by Rev. A. Lonkow, pastor of the Lutheran church.

Mrs. Joe Newlan at the organ played the wedding march and accompanied Robert Simpson in his singing of "O Promise Me."

Miss Kranz is the daughter of Mrs. Christine Kranz of Holt avenue. She is a graduate of the Covina high school and of Whittier college. She was attractive in her wedding gown of white chiffon velvet, fashioned princess style with high neckline, long sleeves and train. Held by a close-fitting cap and beaded coronet was a long lace-edged veil of tulle, and she carried a shower bouquet of gardenias and lilies-of-the-valley.

There was a dainty flower girl who scattered rose petals in the pathway of the bride. She was Patsy Kranz, niece of the bride, wearing a Dolly Varden frock of gold chiffon. Three other friends attended the bride—Miss Dorothy Wittenbrock, the maid of honor, and Misses Nellie Reeg and Marjorie Betiss of Los Angeles, bridesmaids. These three attendants wore velvet gowns of a peristemon shade and carried arm bouquets of gold chrysanthemums.

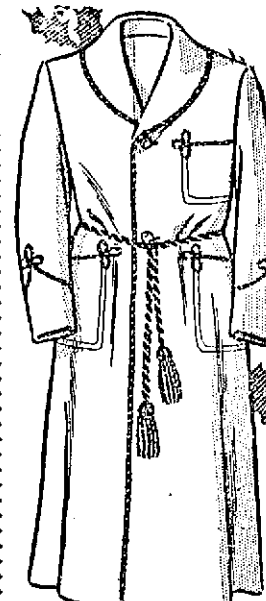

George Mautz supported the groom as best man. The ushers were Stanley Ruggles and Merwin Ilett. The one hundred and sixty guests in attendance at the wedding were also guests following the ceremony at the reception at the home of Mrs. Anna Wedgwood in San Dimas. After cutting the wedding cake in traditional style, and receiving the congratulations of their friends, the couple

slipped away on a weekend motor trip, after which they will make their home in Baldwin Park. Mrs. Marron plans to continue with her duties as a teacher in the Bassett grammar school. She wore as a traveling costume a suit of Burgundy wool with black accessories. Mr. Marron is the son of Mr. and Mrs. J. C. Marron of Baldwin Park and is associated with his father in the furniture business in that city.

SOCIETY CLUBS PERSONALS

Dr. Beveridge of Prep School Speaks Before Club Women on Italy

"Italy Under Mussolini" was the topic taken by Dr. Beveridge, lecturer and archaeologist, now associated with the California Preparatory school, who spoke on Monday afternoon before the Covina Woman's club.

Giving his listeners an insight into the situation as it really exists was the object of the speaker's address, and he stated that he was able to see why the present situation had arisen between Italy and Ethiopia, that it was inevitable. When one considered the fact that Italy, a country of some forty million people, inhabiting an area about one-third the size of the state of Texas, with absolutely no outlet for expansion, it was only natural that a country as progressive as it has become should seek some way out.

In sympathy with the allies following the world war, Italy found herself cut off from the countries from which she imported her stable products of oil, cotton and raw materials. Great Britain and France in order to ally Italy on their side, promised her certain sections of Ethiopia to further her developments, but after the war failed to comply with their promise, which naturally inspired a feeling of antagonism.

It was following the war that Benito Mussolini, a common soldier born of humble parentage, serving in the front line trenches, first gained public recognition. The editor of a socialist newspaper, he returned from the war to find Italy in a state of chaos which would soon have brought destruction to the country. Italy until 1919 had never had an organized stable government and it was at this time Mussolini organized the fascist party, which numbers four million and is now in its fourteenth year.

Peerman-Nemecheck Nuptial Rites Held in Pomona

The Chapel of Friendship at Trinity Methodist church of Pomona furnished the setting for the nuptial rites at 4 o'clock when Miss Pearl Nemecheck, daughter of Mr. and Mrs. Paul M. Nemecheck, of Pomona, became the bride of Wallace Peerman, son of Charles C. Peerman of the same city.

The Rev. Herschel H. Hodges performed the ceremony in the presence of approximately thirty relatives and close friends of the two families. Miss Eva Durbin presided at the organ, playing the wedding marches and an accompaniment during the ceremony.

Baskets of chrysanthemums in yellow and bronze shades formed the floral decorations and altar candles burned during the ceremony.

The bride wore a street ensemble of turquoise blue silk crepe with brown accessories and carried a bouquet of gladiolus roses tied with a bow of white tulle.

Assisting as matron of honor was her sister, Mrs. McKinley Gray of Lancaster, who wore brown silk crepe trimmed with brown fur, and a corsage of pink roses.

Reverend Lockie of Pomona served as best man.

A reception was held in the church parlors immediately following the ceremony. Chrysanthemums in autumn colors added to the attractive appearance of the rooms, and on the

Much good has been done in Italy since the organization of this party. Parliamentarism was abolished, restoration of property, the building of thousands of miles of railroads, hundreds of miles of new highways, 1500 miles of electrification, and the construction of hundreds of new school buildings took place. Working hours were shortened and food prices reduced.

Dr. Beveridge, stating that he was perhaps taking an unpopular side on the issue, said he could not condone certain measures taken by Mussolini in his attempt to gain control of foreign territory, yet he failed to understand why Mussolini's actions were considered any more serious than the Japanese invasion of Manchuria, the French invasion of Morocco, and numerous other attempts of colonization on the part of other nations.

Italy has actually tillable acreage about the size of southern California, and with her growing population, a growing sense of power, feels the need of expansion, and feels that she had a fair excuse to penetrate the Ethiopian country for an outlet.

The power of Mussolini is so well under command that should his death occur, the fascist oligarchy, organized in 1927, would without a doubt be able to carry on Il Duce's command, the speaker said.

Autumn flowers in warm shades were used in decorating the club rooms and were under the supervision of Mrs. Fred Ashton, Mrs. Jay Pitzer and Mrs. G. Z. McClelland. The tea table, centered with an arrangement of chrysanthemums and flanked with silver candelabra holding tall yellow tapers, was presided over by Mrs. James R. Elliott and Mrs. H. G. Upham.

Robert Haworth and Violet Crowe Wed

Miss Violet I. Crowe became the bride of Robert E. Haworth Wednesday evening, November 27, at the Wilshire chapel at 8 o'clock. They were accompanied by the Rev. W. H. Williams, the only witnesses, and immediately following returned to Covina, where they have taken up their residence at 202 East B. Ballido street.

Mrs. Haworth is a beauty parlor operator in the employ of the Bobberie, where she has served for two and a half years. Mr. Haworth is associated with the Brodget company of Pomona.

Call Stead Electric Shop, 216-71. Repairs, construction, fixtures, appliances, radios.

Kodaks, films and supplies, with twenty-four hour developing service at Finch Bros.

Artistically appointed bride's table were smaller bouquets of chrysanthemums and white candles.

Mr. and Mrs. Peerman left following the reception for a trip to the northern part of the state, and on their return will make their home on West drive, Grigsby court.

Mrs. Peerman was for two years a member of the grammar school faculty, resigning her position in June.

Mr. and Mrs. Lynn Hall were the only guests from Covina.

Nothing adds to the festiveness of Christmas so much as lovely wreaths in the windows or bright bowls of seasonal flowers for holiday meals. There are only twenty-one more shopping days left and Kathleen's Flower shop will be delighted to take your orders for wreaths, cut flowers, plants, evergreen arrangements, ferns, Christmas trees, centerpieces, and corsages. Kathleen's also has stocked a clever line of bubble balls, pottery bowls and wall brackets, and in the very near future will have a large selection of bowls of gold fish. Any of these would make ideal gifts, especially for shut-ins or convalescents. Delivery will be made on Christmas eve and Christmas day.

Toys, toys and more toys, at Penney's! Here we saw one of the largest selections of toys in the valley, and every type conceivable. Shirley Temple dolls and wardrobes, baby dolls, sewing and knitting sets, clever aluminum dishes and kettles, scrap books, mechanical toys, electric trains, games, footballs, baseball sets, books, puzzles, and even a variety of fur animals. Here too we were shown a grand array of wheel goods, including doll buggies and tricycles.

What fun it would be on Christmas morning to find a package containing a pair of leather or suede snuggie bedroom slippers from the Quality Shoe store! They are lined with fur and come with and without heels. These are for men, women or children, and come in numerous color combinations. Dainty crepe slippers in black-lined with pastel shades, colorful corduroy and practical felt slippers with ribbon trim, were shown along with a group of the cleverest slippers the youngsters that we have seen. This children's group included bunny slippers in soft colors which were completely made of fur with a soft sole, zipper types in felt with velvet trim, and corduroys.

Flannel robes in plain or striped styles trimmed with self material belts and patch pockets and the ever-popular Beacon robes in plaids trimmed with silk cord around the pockets, collar and cuffs and a good-looking silk belt cord with tassels, are being featured at Gilbert's. Mrs. Gilbert also showed a complete line of Belding-Corticelli hose in chiffon, Kayser and Phoenix hose in all weights, and the well known Holeproof hose in all weights and out-sizes. All of these are made by prominent manufacturers and come in all the wanted shades.

Stork Shower Held for El Monte Woman

Mrs. Edgar Coffman, Jr., of Orange avenue entertained on Friday of last week a stork shower honoring Mrs. Bruce Woodward of El Monte. A dainty color scheme of pink and blue was carried out on the dessert table and in other appointments. A bannister beautifully decorated held the dainty gifts which were presented to the honored guest. The game, "baby," was the diversion of the afternoon hours, with prizes awarded the winners.

Guests were Mrs. A. F. Gates and Miss Winifred Foster of Baldwin Park, Mrs. Maude Kenney and two daughters, Misses Thelma and Madeline Kenney and Miss Dorothy Hall of Pasadena, Mrs. Woodward, Sr., Miss Gladys Woodward, Mrs. Carrie Gates and Mrs. Irving Hancock of Los Angeles.

During the evening many prizes were awarded to the holders of lucky tickets and those from Covina who won were Mrs. Saunders, Mrs. Colver and Mr. Harris.

Masque and Dagger Club Entertained

Miss Martha Fisher and Miss Dorcas Holden were co-hostesses Thursday evening of last week at an initiation for the Masque and Dagger society of the high school, given in the home of Miss Fisher on Rowland avenue.

Nine neophytes were initiated into the Masque and Dagger and after the rituals the evening was spent informally, followed by refreshments. Twenty-four members and their advisor, Miss Beulah Yeager, were present for the affair.

Announcement of Engagement Made at Tea

The home of Mr. and Mrs. Richard Stott of Pasadena avenue, Azusa, was the setting Saturday for a delightfully appointed informal tea at which the engagement of their daughter, Miss Jane Stott, to Arza Porter, son of Mr. and Mrs. Asa Porter of Arroyo Grande, California, who is making his home at present with Mrs. Anton Kerckhoff of East Puente street, was announced to a small group of intimate friends.

The tea table, which was centered with a large silver bowl of yellow chrysanthemums and tall yellow tapers in silver holders, was presided over by Mrs. Anton Kerckhoff, Mrs. Porter Kerckhoff and Mrs. Stewart Coulter of Covina and Mrs. Mary Dodge of Alhambra. With the serving of tea the guests were given tiny cakes to which were attached parchment scrolls bearing the names of the young couple and the date of the wedding, February 22.

Miss Stott is an alumna of Citrus high school, Citrus junior college, and of Scripps college at Claremont, and is a prominent member of the younger set of the valley. Mr. Porter is a graduate of Santa Clara college and has received his master's degree in civil engineering from the California Institute of Technology.

Women Entertain at Japanese Luncheon and Card Party

One of the smartest affairs of this winter social season was given on Friday of last week when Miss Elliott, Elliott and Mrs. Ardin Hotchkiss entertained thirty-six friends at a Japanese luncheon, given in the home of the former on East Covina boulevard.

The Elliott home was transformed into a veritable Japanese home and garden, Japanese hangings, shrubs and flowers in charming arrangement gave an oriental atmosphere. The guests upon arriving were met by the hostesses, who were lovely in Japanese kimonos. Luncheon was served in formal fashion, upon the floor with chopsticks.

Following the luncheon hour, bridge occupied the afternoon, for which prizes were won by Mrs. Russell Davis, Mrs. Harold Nigg and Mrs. Frederick Hines.

Mr. and Mrs. Emson Knorr (Helen Abby) were given a pleasant surprise Saturday evening by a group of former school friends. They brought with them an electric clock as a wedding gift to the host and hostess. In the group were Mr. and Mrs. Eugene Ames of La Verne, Mr. and Mrs. Clyde Baldasser, Mr. and Mrs. Gilchrist, Miss Eleanor Adams of Glendale, Delmar Beal, and Floyd Welch of Santa Monica.

FASHION TIPS

Noel! Noel! The joy of the Christmas season is complete if you have purchased the right gift for those on your list, and we have spent hours in selecting lovely and unusual gifts for women of fastidious tastes. Exquisitely finished neckties, handkerchiefs, moire, crepe, flannel, aubergine, corduroy and satin robes, and a wealth of daintily trimmed lingerie are awaiting you.

We just adore the new moire robes which come in pastels and dark shades. They are very tailored with the mannish double-breasted cut, and are self-trimmed. Then too, the newest things in flannel robes have fitted waist lines and are cut to form a diagonal plaid pattern. These, too, are self-trimmed. The very smart young woman will rave over the new reversible silk crepe robes in attractive color combinations.

P. J.'s of satin in all the high shades are all the rage and are cut over the shirtmaker pattern. Oriental tastes are satisfied with the clever Chinese pajamas with tapestry (unics and satin trousers in either black, brilliant red, green or blue. Our pride and joy, however, is a two-piece crepe set with brown trousers, gold Russian-type tunic with brown monogram and very good-looking sleeve and neck treatment.

Reception Held for Glen Matney and Bride

A reception honoring Mr. and Mrs. Glenn C. Matney, whose marriage of August 19, 1935, at Yuma, has just been announced, was held Sunday afternoon at the couple's home, 515 West Alvarado street, Pomona.

Mrs. Matney, formerly Miss Florence L. Fish, is the daughter of Mrs. Carrie Fish of Pomona. Mr. Matney is the son of Mr. and Mrs. W. N. Wright, 976 Alexander avenue, Pomona.

Approximately one hundred guests called between 4 and 6 in the afternoon. An abundance of flowers in autumn shades decorated the home, and a huge basket of chrysanthemums in rust shades, flanked by candelabra holding lighted tapers, was placed near the receiving line.

The bride, wearing an afternoon frock of forest green silk crepe with gold lame trimming and a corsage of gardenias and lilies-of-the-valley, was assisted in receiving by Mr. Matney, Mrs. Carrie Fish, Mr. and Mrs. Martin Jaska (Henrietta Fish), and Mr. and Mrs. W. N. Wright.

The bride's table was appointed in white, with white chrysanthemums and asters forming a background for a tiny bridal pair. A white wedding bell was suspended from the chandelier. Miss Elma Jaska and Mrs. Walter Axley assisted in serving. During the afternoon, guests signed their names in the bridal book.

Mrs. Matney, who returned last summer from Honolulu, where she spent three years, is a graduate of the training school at Pomona valley community hospital. She is a native of Pomona and has lived here continuously, with the exception of the time spent in Honolulu.

Tourists to State
Coming in Larger
Numbers

Marking the twenty-fifth consecu-
 tive month during which southern
 California has shown an increase in
 out-of-state motor tourists as com-
 pared with the corresponding 30-day
 periods of the preceding year, a total
 of 68,600 out-of-state motor tourists
 arrived in California last month, an
 increase of 12.1 per cent over Oc-
 tober, 1934.

These figures were filed with the
 board of directors of the All-Year
 club, southern California non-profit
 tourist bureau, by the state depart-
 ment of agriculture, and mark con-
 clusively that this area's tourist busi-
 ness is on the upgrade despite the
 fact that October is regarded as the
 slack period between summer and
 winter vacation seasons here.

"Figures are the count of legiti-
 mate motor tourist travel to this
 state and do not include returning
 California cars, commercial business
 traffic, motor stage lines or the entry
 of transient charity cases, and they
 do not include arrivals by transcon-
 tinental train, air line or steamship,"
 said J. L. Matthews, member of the
 Los Angeles county advisory council
 of the All-Year club.

"During the first ten months of
 this year, which includes part of last
 winter's tourist season and all of
 this last summer season, a total of
 705,710 out-of-state visitors motored
 here, marking a 31.2 per cent in-
 crease over the first ten months of
 1934, and of this total, 431,442 ar-
 rived directly in southern California,
 a jump of 41.7 per cent over last
 year."

Vehicle License
Fee Postcards to
Be Mailed

Motorists who have been wonder-
 ing how they are going to pay the
 new vehicle license fee due in Janu-
 ary, 1936, in lieu of personal prop-
 erty tax, will be interested to learn
 that the department of motor vehi-
 cles will mail an assessment card to
 each vehicle owner in California.

Elimination, by the last legisla-
 ture, of city and county offices as
 collectors of the former personal
 property tax on vehicles placed a
 big problem on the department of motor
 vehicles, and it remained for Gov-
 ernor Merriam to remove inconveni-
 ences for taxpayers. At the gov-
 ernor's suggestion, Director Ray In-
 galls' department of motor vehicles is
 preparing postcard assessment no-
 tices for each vehicle owner, and
 these will be in the mails about De-
 cember 20.

Under California's new vehicle
 code, what formerly have been re-
 ferred to as license plates are now
 known as registration number plates.
 The same basic \$3 fee charged for
 pleasure automobiles will be col-
 lected for registration. The vehicle
 license fee is to be paid in lieu of
 personal property tax, and this fee
 will be charged at the rate of \$1.75
 per \$100 valuation of vehicles as de-
 termined by department of motor
 vehicles.

Explanation of how 1936 vehicle
 fees will be collected is shown in the
 following example:
 John Doe owns an automobile
 which department of motor vehicles
 values at \$100. To register this ve-
 hicle and obtain number plates, he
 will be required to pay \$3. To operate
 his vehicle under the vehicle li-
 cense fee statute, he must pay \$1.75.
 The total cost to be paid by John
 Doe at the time of obtaining new
 plates will be \$4.75.

Thursday of last week Mrs. Robert
 Miller, Mrs. G. E. Elmhurst and
 Mrs. Leland Brubaker attended the
 meeting of women's club federation
 secretaries held at headquarters in
 Los Angeles.

Covina Takes Final Game
of Foothill League Season
by Defeating Dynamiters

In a game almost paralleling their
 victory of the week before, the Gal-
 loping Colts trampled the Glendale
 high school Dynamiters to chalk up
 a 14-0 win in the last Foothill league
 game of the season. Again the scores
 occurred in the opening and closing
 periods of play as the result of long
 forward passes. Again it was Eddie
 Nichols who heaved both spirals, but
 this time Captain Bob Conlon
 snatched the pigskin for the tallies.
 The conversions were handled in
 perfect fashion by Nichols, who regis-
 tered the extra digits by place-
 kicks.

Jimmy Hutchison, left halfback
 for the cardinal and white, played
 his best game of the season, and
 Nichols and Conlon stood out in the
 backfield, too. Good performances
 also were turned in by Bob Keene,
 Dick Peterson, and Byron Athan.
 Twice in the first quarter the
 Colts marched down the field into
 the very shadow of the Glendale
 goalposts. The second time Covina
 gained a first down on the three-
 yard line as a result of a long for-
 ward pass from Nichols to Conlon.
 With first down and goal to go, Nichols
 faded back and tossed a forward to
 Captain Conlon on the goal line for
 the first score. Nichols booted the
 ball for the point.

Thruout the second quarter both
 teams played a defensive football.
 Nichols and Dillinger exchanged
 punts five times during this period,
 with the Colts managing to get just
 a little the better of the Dynamiters
 in yardage gained.

Coach Butler Gorrell almost had
 white hair after the sensational 78-

yard dash by Renfro of Glendale at
 the beginning of the third stanza.
 Taking Nichols' kickoff on his own
 18-yard stripe, he ran thru the whole
 field of Covina players to the Colt
 14-yard mark, where Hutchison
 finally brought him down. Not until
 Chase's fumble was recovered on the
 10-yard line by Athan, and Nichols
 punted out to safety did Coach Gor-
 rell breathe easily once more. Inter-
 cepted passes and fumbles kept the
 Dynamiters from presenting any real
 threat in the remainder of the third
 period and thruout the fourth quar-
 ter.

It was just such a fumble that
 started the Colts on the way to their
 second touchdown in the closing
 stanza. After falling on the pigskin
 on the Covina 35, Nichols pushed
 over center to the Colt 47 for a first
 down. Then Eddie faded back and
 loited a long forward to Bob Keene,
 who was brought down on the Glen-
 dale 6-yard stripe. Again Nichols
 passed, this time in Conlon, who
 romped over for the score. The Colt
 quarterback dropped the ball square-
 ly between the uprights for the final
 point.

Efficiency Bureau Says It Will Not Be
Advisable to Separate Los Angeles
City and Balance of County

Objections raised by the county
 efficiency bureau three years ago to
 a proposal to separate Los Angeles
 city from the rest of the county still
 hold good, Secretary Harry F. Scoville
 said this week.

Formation of Los Angeles city in-
 to a separate city and county would
 isolate some 34 parcels of territory
 from the rest of the county. Of
 these isolated parcels, or islands, 12
 including Beverly Hills, Santa Mon-
 ica, San Fernando, and Torrance, are
 incorporated cities. Eleven of the 34
 parcels are county territory, such as
 Universal City, West Hollywood, and
 Sawtelle, entirely surrounded by in-
 corporated cities.

"At least one new county is in-
 evitable for the entire western strip
 of the present county bordering on
 the ocean, because it would be cut
 off from the eastern territory by the
 proposed city and county," Scoville
 said. "It may be argued that Santa
 Monica, Beverly Hills, Culver City,
 Inglewood, and Redondo Beach may
 escape formation of a separate coun-
 ty by annexation to the proposed
 new city and county of Los Angeles.
 However, if this were legally possi-
 ble, it is probable and reasonable to
 expect that local pride and local
 politics would prevent indefinitely
 the union of these communities with
 the greater city."

"Turning to the south coastal area
 and the southeastern part of the
 county, with the example of Los An-
 geles city, it is conceivable that this
 area might wish to form a city and
 county of its own to include several
 of the southeastern communities. It
 might be forced to take such a step
 in self-defense.

"Passing to the rich eastern and
 northern sections of the county, we
 find a number of thriving cities.
 Would any of these desire to be
 cities and counties of their own or
 would they unite with the remainder
 of the eastern section to form one
 new county?"

"The picture we have presented
 is not overdrawn. Any new counties
 must establish and maintain a com-
 plete government with a new com-
 plement of officials and assistants.
 Instead of consolidation, we have
 disintegration and decentralization.
 Los Angeles county is now recog-
 nized thruout the world as the rich-
 est agricultural county in the United
 States. Dismember it and what have
 you?"

"Politically, it would be disastrous
 and would tend to shift the balance
 of power in the state government to
 the northern sections and would
 throw away the benefits of the long
 reapportionment struggle of the
 south for adequate representation in
 the state government."

Today, as three years ago, the
 move on behalf of Los Angeles city
 has started over the distribution of
 gasoline tax funds. In 1931-32 the

county gave the city 50.3 per cent of
 the total gasoline tax funds ap-
 portioned to the county by the state.
 Today Los Angeles city claims 59.2
 per cent of the population of the
 county and asks a proportionate in-
 crease in its share of the gasoline
 tax funds.

Supervisor Roger W. Jessup, chair-
 man of the board of roads committee,
 is of the opinion that gasoline tax
 funds should be expended to build
 roads leading to Los Angeles as well
 as within the city.

"The county's aim is to develop a
 bigger and better county," the su-
 pervisor said. "The proposal of the
 city of Los Angeles to secede from
 the rest of the county would make
 this impossible."

Grade Separation
at Azusa Said
to Be Dropped

Although dispatches from Wash-
 ington early this week told of presi-
 dential approval being given to the
 Azusa grade separation project, en-
 gineers for the state highway com-
 mission in Los Angeles said the pro-
 ject had been definitely dropped.

Necessity of acquiring a consid-
 erable amount of right of way was
 given as the reason for dropping the
 project, which called for construction
 of a grade separation where Foot-
 hill boulevard crosses the Santa Fe
 railroad line.

Estimated cost was given as \$287-
 160 in the Washington dispatches,
 and a large part of this would be for
 right of way that would be required,
 state engineers said.

No plans are being prepared on
 the Azusa project, state engineers
 said, and the Washington dispatch,
 they explained, was undoubtedly an
 action on a list of tentative projects,
 not yet finally approved by local
 authorities. The revised list of ap-
 proved projects is understood to be
 in the hands of Washington officials
 now, however.

by Big Score

Coach George Sperry's Glendale
 B's, leaders in the Foothill league,
 journeyed to Covina Thursday, the
 21st, and walloped the Colts 31-0
 in the final game of the season. Three
 tallies came in the second quarter
 and two in the fourth period. The
 three scores in the second stanza cli-
 maxed two long sustained drives and
 an intercepted pass. Again an inter-
 cepted forward and a long pass led
 to Glendale's two touchdowns in the
 final quarter.

Muir Tech Team Wins Foothill League Crown

Coach Newt Stark's Muir Tech
Terriers copped their second straight
Foothill league title last Friday when
they overpowered the Whittier Card-
inals to the tune of 19-0. Whittier
slipped into second place with five
winners won and one lost. However
high broke even for the third spot
with three won and three lost. Old
members of the Foothill league look-
ed with some amazement at the
spectacular last-minute rally of
these newcomers, the Covina Colts,
who grabbed fourth spot in league
standing. Some observers felt con-
fident that the Foothill league was
too big and too powerful for this
small Covina school, but Gorrell
with his fine bunch of players cer-
tainly proved the contrary.

Following is the league standing:
School Won Lost Tied
Muir Tech 6 0 1
Whittier 5 1 1
Hoover (Glendale) 3 3 1
COVINA 2 3 1
Glendale 2 3 1
South Pasadena 1 4 1
Fullerton 0 5 1

NO UPSETS
The proper treatment
for a bilious child

ANY mother knows the reason
when her child stops playing, eats
little, is hard to manage, Constipation.
But what a pity so few know the
sensible way to set things right!
The ordinary laxatives, of even
ordinary strength, destroy all hopes
of restoring regularity.
A liquid laxative is the answer, mo-
thers. The answer to all your
worries over constipation. A liquid
can be suited to any age or need.
Just reduce the dose each time, until
the bowels are moving of their own
accord and need no help.
This treatment will succeed with
any child and with any adult.
Doctors use a liquid laxative.
Hospitals use the liquid form. If it
is best for their use, it is best for
home use. The liquid laxative they
generally use is Dr. Caldwell's Syrup
Pepsin. Any druggist has it.
